

Custom Roll-Ups

Here at HyLyte we offer many options for your Roll-Up Warning Signs.

Designed as temporary warning sign for roadside worksites. Available in fluro orange or fluro lime/yellow in two sizes, 900mm x 600mm and 600mm x 600mm.

To fit within our metal swing stand frames (of the same size). As an option can be designed with a top weighted bar to allow for hanging over a ute tray and a lighter weight bar at the bottom to help stabilize and eliminate the sign from being blown out of sight.

These signs are durable and highly visible, a must for any works carried out in public areas, informing passers by of the dangers or work in progress and helps you comply with your WPH&S, and works main roads.

Roll-Up High Viibility signs are easy to store and long lasting.
